WAR MEMORIAL APPEAL

for £250,000

From the organisation point of view the year 1946 has been an exceedingly difficult year. The main factor contributing to the difficulty being the National Health Service Bill which came before Parliament early in the year. Had it not been for plans laid in 1945 whereby the major part of the Appeal income became assured we would not have been able to report the progress which is revealed by the financial statement.

Whilst we say that the year has been difficult it is not intended to mean disappointing—we are sure it can be said that when the Appeal commenced towards the end of 1944, it was not imagined that within two years we would have collected over £150,000. Undoubtedly had it not been for the introduction of the National Health Service, 1946 would have seen a much higher income than £41,000.

During the year each Committee from which some income was still required has been urged by letter or personal visitation by the Organising Secretary to continue its efforts for the Appeal in spite of pending legislation. Encouraged by recent National developments whereby it is hoped that the War Memorial Appeal money will be safeguarded, our workers have made a good response.

Out of 197 town and village Committees embracing 240 Towns, Villages and Hamlets, 123 Committees have subscribed or over-subscribed their targets. In only two places has it, as yet, been impossible to start any activity for the Appeal, and we have not yet given up hope of these. The two Villages in question are relatively small, being Arthingworth and Hardwick, with targets of £170 and £120 respectively.

At the end of September several presentation plaques were received from the manufacturers, distribution of these commencing immediately. Public meetings were arranged at which the plaques were officially presented and unveiled by some local resident.

So far 22 plaques have been presented and arrangements are already in hand to present many others during the next few months.

An outstanding event during the year was the visit of Her Royal Highness The Princess Elizabeth to the Hospital, which visit was made the occasion for presenting many of our workers to the Princess. All those who were able to be present on this unique occasion expressed their delight at having had the opportunity of experiencing the grace and charm of the Princess on this her first visit to Northampton.

As to what hope there is of collecting the remaining sum of money is something of a problem. A fair part of the balance is assured since several Committees have some balance in hand and in one or two instances these are somewhat substantial. It is, generally speaking, known that money is not so plentiful, which may have some bearing on the future trend of the Appeal. It would appear, however, that there is the possibility of receiving several thousands of pounds into the Fund during the coming year

NORTHAMPTON GENERAL HOSPITAL GUILD

REPORT

FOR THE YEAR 1946

The Management Committee and Council of the Northampton General Hospital Guild have pleasure in submitting their Eighth Annual Report and Accounts being in respect of the year ended 31st December, 1946.

CONTRIBUTORY SCHEME INCOME.

It is most pleasing to be able to report a record income for the Contributory Schemes during the year, the total being £49,514 19s. 11d. The income for each Scheme now operating is as follows :—

	£	s.	d.
No. 1 Scheme	46032	14	5
No. 2 Scheme	2319	1	0
Private Ward Scheme	1163	4	6

The total income is £1,501 17s. 10d. in excess of last year and is £784 0s. 9d. more than the previous record amount collected, being the year 1944.

During the year 69 new groups were established in places of employment and 785 new individual members were enrolled through the Head Office. These figures are most encouraging to your Committees and reflect not only the success, but the popularity of the Contributory Scheme method of support in the district.

AUXILIARY BENEFITS.

Contributors have extensively used the auxiliary benefits supplied under the Scheme. 1,699 grants have been made during the year towards the supply of various benefits. The number of grants made in respect of each benefit is as follows :—

BENEFIT.	GRANTS.
Spectacles	558
Surgical Appliances	336
Convalescent Treatment.....	36
Patients' Transport	769

OFFICE OF CHAIRMAN.

During the year the Office of Chairman to the Management Committee and Council has been changed, Mr. L. W. Bradshaw having been elected to the position. A tribute must be paid to the retiring Chairman, Councillor S. A. Betts, who held the post from the inception of the Guild in 1938, and has rendered a service to the Contributory Scheme second to none.

WAR MEMORIAL APPEAL.

The income of the Appeal rose during 1946 to £151,000 with a total of 125 village targets having been cleared. The success of the War Memorial Appeal continues and it is hoped that the enthusiasm of Local Committees will be maintained until the task of collecting £250,000 has been accomplished.

GENERAL THANKS.

The success which has attended the Contributory Scheme during 1946 could not have been possible had it not been for the loyal co-operation of the many Group Secretaries, Village Collectors and Cashiers in the places of employment. To all these, who have been untiring in their efforts for the success of the Contributory Scheme grateful thanks are accorded. The regular contribution of the many thousands of subscribers is not overlooked—without their goodwill the Scheme could not go on.

Appreciation is also expressed to the Secretary and his staff.

FUTURE.

We cannot at this juncture say whether there will be a future for any form of Hospital Contributory Scheme but it is not unlikely that a National Provident Fund will arise to carry on the Contributory Scheme tradition. It is regretted that the Minister of Health could find no place in the National Health Service for the Contributory Scheme organisation—an organisation which has been the mainstay of the Voluntary Hospitals for a long period of years.

The proposed National Health Service is likely to become operative sometime in the year 1948. In the meantime contributors are urged to continue their subscriptions to the Contributory Scheme since Hospital treatment is not yet covered under the National Insurance. Official information will be circulated as soon as the position affecting Contributory Schemes is known.

PROCEDURE for OUT-PATIENTS and for PROSPECTIVE IN-PATIENTS, other than ACCIDENTS & EMERGENCIES

Patients, with the exception of those mentioned below, are seen only by appointments booked in advance at the Appointment Bureau in the Out-Patient Department.

Applications should state the patient's name, address, the nature of the complaint, the name of the doctor the patient's own doctor wishes him to see, and whether this is the first attendance, and should be made either personally, or by letter or telephone (No. 4680) between the hours of 9 a.m. and 5.30 p.m.

Applications for appointments with the Gynæcological and Obstetric Surgeon should also state whether or not the patient is a maternity case.

Out-Patients should bring their own Bottles for Medicine.

Patients for Physio-Therapy treatment must first be seen in the Out-Patient Department and should book an appointment in advance.

Patients who are required by their doctors to have an X-ray examination should attend at 10 a.m., on any day except Sundays. No appointment is needed unless the examination is one which requires special preparation such as examination of alimentary and urinary tracts, gall bladder, etc., in which case it is necessary for an appointment to be booked beforehand. Appointments may be booked in writing or by telephone, but if patients live locally it is advisable that they, or friends or relatives on their behalf, should obtain an appointment, instructions and medicine by a personal visit to the X-ray Department. Before proceeding to the X-ray Department for the Examination the patient should call at the Appointments Bureau in the Out-Patient Department for recording purposes.

Patients seen without Appointments:—

CASUALTY PATIENTS.

First attendance.

The Casualty Department is always open for accidents or emergency cases.

Second and subsequent attendances.

By arrangement.

DENTAL PATIENTS.

Town Patients.

Thursdays, 9 a.m.

Country Patients.

Mondays, 2 p.m.

PATIENTS FOR X-RAY EXAMINATIONS (other than those requiring special preparation as mentioned above.)
